Mark,

It was great to see you again. I will definitely let you know when I travel to California and please let me know when you are back in DC. I'm here to be of assistance.

Happy Holidays to you and your loved ones!

Aurelia,

This is Mark Smith from California, we chatted for a while in the back corner near the bar right before you left the Ducks Unlimited event at the Russell Senate Building. It was nice to see you again and reconnect. I'm glad that you are enjoying your role at Interior, and I'm glad to hear you are enjoying working with Jason. I (and my clients) look forward to perhaps visiting with you again next year in DC.

In the meantime, if you find yourself in CA, will you please let me know? I represent many groups, from California Trout to Grassland Water District and others, and would be happy to show you some of the amazing things we are doing for fish and wildlife out here in California.

Until then, I hope you have a blessed holiday season with family and loved ones.

Best,

Mark
