YES! ITS YOURS *Free*

This smart magazine and table (unfinished) free with a $2.50 purchase of Fuller Paints*

Only from September 13th to 25th, incl. Act now!

During the few days that we have had our tables, several people got a peek at them. Every one wanted a table right then and there. "Nix," we said, "you've got to wait until the sale." The primary reason why we and W. P. Fuller & Co. are making this exceptional free offer is to help you get acquainted with one of the finest paints made — Fuller Paints.

There are no "catches" in this offer. All you have to do is buy $2.50 worth of any one, or any combination, of the Fuller Paints listed below, *at retail*, and the table is yours. But only one to a customer, and only as long as our supply lasts. So, if you haven't a handy table like this in your home, take a quick inventory of your paint needs *now*, and see or call us at once.

Surely we don't have to remind you that Fuller Paints are the finest that money can buy! They *last* — remember? And they've been made for 59 years by the West's largest paint manufacturers.

*** Make a $2.50 purchase of any of these Fuller Paints— from any Fuller Paint Dealer—and you get the table free**
