Dear Mr. Hall:

Thanks very much for
your letter of Dec [REDACTED] t, concerning the
disposition of the [REDACTED] case in South Caroline.

I think you need not be too critical of yourself for not sending me earlier information. I had forgotten all about the pending litigation until Mr. Carpenter was in the other day, and I had occasion to point out to him that certain suits of this type had been brought. Upon refreshing my memory I naturally became very curious about what had happened, and thus my inquiry.

It is good to hear from you again, and I take this opportunity to wish you a happy New Year.

Sincerely yours,

RAK:is
