

If possible, we would very much appreciate the opportunity to visit Gully Branch Tree Farm on Thursday to prepare for the Administrator's visit.

Forrest -- please work with with Lauren, et al to coordinate the advance for this visit.

Warm regards,

One final modification on run of schedule-I promise.

We can start 11 with a hard stop at 1:45. Does this work for the group?

I believe it works for Secretary Perdue but I will check and get back to you shortly.

Ambassador Pruitt's folks- are you all having an advance team go down? Wanted to see and if so, perhaps we could coordinate a walk through on Thursday if the Barrs are okay with that.

Thank you.

Lauren

Many thanks, Wanda. That is a kind offer, but no need for lunch.
