SIGNIFICANT ITEMS THIS MONTH

New high production record for the third month in a row exceeding the last record in April by 110,000 lbs. by 6%. No. 2 Still pump and coil were changed due to an operating error. Other downtime was due to mis-operation of new city water pumps. Department is being sand-blasted and painted. A new product MCS-295 to be used as a heat transfer fluid for heating tank cars by U. S. Steel was made for the first time. Production was 31,115 lbs.
