THE WELLLOVED HOME IS A WELL DECORATED HOME

Dear Homeowners:

It's just human nature to talk
about things we're proud of. Your
home, for example. You like to dis-
cuss it with an appreciative audience.
And we...well, we like to talk about
our business of decorating the home...
your home, in particular.

This little circular does some
of our talking for us...tells in rather
brief form what we do for our customers.
Perhaps after reading it you will give
us the opportunity to call and talk to
you in more detail about your home.

You will not be pestered and
there will be no obligation on your
part to do more than consider our sug-
gestions. Just tear off and mail the
attached card. No signature or stamp
is necessary.

Very truly yours,
