Subject: [EXTERNAL] AFPM meeting request re: Hurricane Season and Refined Products

Alex,

Congratulations on your new position heading up CESER over at DOE! I wanted to see if you or your senior staff might have time in the next few weeks to meet with Jeff Gunnulfsen (AVP, Security & Risk Management) and Susan Grissom (VP/Chief Industry Analyst) on our team about the important work and role AFPM plays during the annual U.S. hurricane season.

Please let me know what your availability might look like, happy to work around you schedule to get a time on the calendar. Let me know if there is any additional info I can pass along in advance as well.

Look forward to re-connecting!

Aaron
