

1 You will hear from Dr. Gabrielson who
2 examined the pathology. Again, it won't be disputed
3 that Mr. Vandergucht has mesothelioma or that he died
4 from it, but you will see his slides and the slides
5 from his tissue.

6 And Dr. Gabrielson will say that he had
7 mesothelioma caused by asbestos exposure, and you will
8 also hear from Dr. Rubin who looked at his medical
9 records, and you will hear from his treating physician
10 as well.

11 As I said, ladies and gentlemen,
12 mesothelioma is a signal tumor for asbestos exposure.
13 That is what this case is about. It is about that
14 disease.

15 It is about these individuals, how they
16 suffered. And it is about the companies that
17 manufactured products without adequate warnings so
18 that these people had an individual choice as to
19 whether they should be exposed to such products.

20 You will hear more from Mr. Shellenberger
21 about their occupational histories. You will hear
