SUBJECT: August 3, 1976 - INDUSTRIAL HYGIENE SURVEY

During the period August 9 thru August 13, 1976, our company Industrial Hygienist Ron Benton, Richmond, will be assisting Derrell Lentz, Safety Department, and Jim Wilder, Sherwin Lab, in conducting Industrial Hygiene Survey of the Sherwin Plant.

Please inform your supervisors that we will be in various areas of the plant and we will be requesting assistance from different employees in conducting the survey. The employees will be asked to wear a sampling pump for sampling chemicals and dusts or a dosimeter for noise surveys.

Your assistance in this matter would be greatly appreciated.
