Dear Richard:

This letter is to confirm our phone conversation regarding Vista's participation in the SMCA's recycling program. The program has been carefully reviewed by Vista management and we have decided not to participate at this time. We believe you have a well designed program that should have beneficial results to the community. However, based on other needs more directly related to Vista's business's we have chosen not to contribute to this program.

Good luck in your recycling efforts. We appreciate your giving Vista the opportunity to participate.

Sincerely,

Thomas G. Grumbles, C.I.H.
Environmental Quality Manager
