Let's just go with your place. Easier for everyone if that is OK. Do you know Jeff Harrison with Combest Sell?

Got it. Doesn't have to be a farm. Did you say there is a barge company on the river?

Tate - have not been able to identify a farm close to the Twin Cities. Am checking with one of my member companies about hosting. Otherwise, I do have a large conference room at my office in downtown St. Paul that can hold 30-35 or so. It also has a security desk which might be helpful for the administrator's visit.

I will get you a list of potential invitees later this evening or tomorrow morning.

Feel free to call me if you'd like to discuss further.

Perry
