Dear Ms. Vail:

This letter terminates the Consent Agreement and Final Order (CAFO) entered by the United States Environmental Protection Agency, Region 6 (EPA); the New Mexico Environmental Department; and Western Refining Southwest, Inc. on August 26, 2009, and all subsequent modifications. The CAFO provided for termination upon completion of all required actions and written notification to the Respondent. EPA hereby determines that the requirements of the CAFO have been satisfied and notifies the current assignees of the original Respondent, Western Refining Southwest, Inc. that the CAFO has been terminated.

If you have any questions regarding this termination, please contact Nathan Taylor (Taylor.Nathan@epa.gov; (214) 665-3128).
