Ryan,

Let's try again with Wayne Nastri of South Coast Air Quality Management District. Brief meeting with the Administrator.

Here are possible date windows that would work: Nov. 13-17, Nov. 27-30, Dec. 4-7. Will work with you to make it an easy positive meeting. Appreciate if we can put something on the calendar.

Thanks,

Dear Ryan,

I hope all is well. I am reaching out concerning EPA's CERCLA financial responsibility proposal. I represent Asarco LLC, which will be filing comments on the proposal. Asarco would also appreciate the opportunity to discuss its concerns with you or another appropriate EPA official.

Duane Yantorno, Asarco's Corporate Manager for State and Federal Regulatory Affairs, will be in Washington from Arizona in late July so I am hoping to schedule the meeting for either July 25, the morning of July 26, or July 28.

Please let me know if any of those dates work schedule-wise. If not, I can propose alternative dates. Also, if there is any other information I can provide to assist, please let me know.

One last note so that you are fully informed, in February I raised the possibility of a meeting with Kevin Minoli. We tabled the issue at that time due to the extension of the comment period.

Hi Michelle,

What a busy time! Sorry for the delay but the Chief curator was out as I mentioned, and then in a meeting all day Tuesday.

So, the bottom line is this – we have been bombarded with requests from the new administration for portraits and after discussing with the curators have decided to limit the number of objects on loan to any “high-ranking government official” to two. We also need to make sure that we have objects available for our own exhibition needs and a long-term loan of four years can be a constraint.

I hope the Administrator enjoys the portraits he has and I am sorry for the bad news.

Hi Michelle,

We do not have a limit, per se, but we have had many requests with the change of administration so we are running out of paintings. ☺ That being said, we do not have a selection of portraits in a "lending program" -you would either have to give me names or look up on our website <http://npg.si.edu/portraits> to search for portraits. We do not lend photographs, prints or drawings (actually any work on paper) and we do not lend objects on view here at the gallery.

Let me know what you want to do,

Beth

We have determined that the best way to process your paperwork is to compensate you as an “administratively determined” position which is unique in the federal hiring process to EPA. There is no vetting other than OPM paperwork which allows us to have you on the payroll in short order.
