BULLETIN NO. 43

SUBJECT: RURAL HOUSING

To Members Supporting the White Lead
Promotion Program:

With our Bulletin No. 39, dated August 8, 1941, we sent you a list of Rural Housing Projects in Louisiana and Mississippi, for which the U. S. H. A. had provided loans. We thought that our members might wish to follow these up with the idea of having white lead used on the houses.

The President has now approved an additional list of Rural Housing Projects in South Carolina and Georgia, a copy of which is attached.

We are also informed that plans and specifications for the Southeastern Georgia Housing Authorities are being drawn by Bothwell and Nash, Architects, 1006 Whitlock Avenue, Marietta, Ga.

Very truly yours,

F. E. Vonnes

Secretary.
