Dear [REDACTED] and [REDACTED]

Many thanks for being available on short notice for a discussion about the SEA approaches in the two PFAS dossiers.

From our side the following items are important to discuss:

- Inform each other about the planned SEA approaches in both dossiers
- Discuss scope and options for aligning impact/proportionality assessment in the two dossiers ('ice-breaker' function of AFFF dossier)
- Next steps

Looking forward to the meeting tomorrow,

Best regards,

[REDACTED]
