THE WAY TO BEAUTIFUL HOMES

There's
no more
color-

guesswork in house painting

Imagine this house
painted light cream, trim-
med with Carmel blue
and its roof in silver gray.
You can paint your house
just as colorfully and har-
moniously with the help
of the B-H Exterior Color
Harmony Selector which
takes all the color guess-
work out of painting.

The Selector shows shades
of B-H brand Prepared Paint
and Stucco Coatings arranged
according to the laws of color
harmony. It will help you
solve any exterior color prob-
lem, and B-H paints will last

for years. Send our name and
10 cents to Bass-Hueter for
this helpful Selector and its
colorful companion booklet
"Harmonious Exteriors".
Then see us for your paints.
