Dear George,

I beg to acknowledge receipt of yours of the
18th inst. Contents have been noted.

I have not succeeded in having young Ethier
work at Thetford this summer as the operators there had
lately made some changes in their "public relations" set-
up which set-up they did not wish to disturb for the
coming Summer. I have informed Father Bouvier accordingly
and Father Bouvier appeared appreciative of my efforts and
of yours. Dr. Lanza is meeting Father Bouvier this
morning.

I have spent part of the day yesterday with
Dr. Lanza and he will be spending the week-end at my home.
He met the Doctors of the Quebec Workmen's Medical Board
yesterday and made a deep impression on them. His contri-
bution, I am sure, will prove to be very helpful in the
proper appreciation by the medical experts, here, as
regards our asbestosis-tuberculosis incidence.

Thank you for the copy of the letter written
by Dr. Parrot. This point is now fully cleared up.

Best personal regards.

Cordially,

Ivan Sabourin
IVAN SABOURIN.
