Subject: RE: Presidential Exemption: Mercury and Air Toxics Standard: Oklahoma Gas and Electric Facilities - Sooner 1, Sooner 2, Muskogee 6, River Valley CS 1

Thank you for emailing the AirAction mailbox to request a Presidential Exemption under section 112(i)(4) of the Clean Air Act and for engaging with EPA in advancing President Trump's Executive Orders and Powering the Great American Comeback. We have received your email and will be in contact soon. If you have Confidential Business Information (CBI) that you'd like to submit, please submit it in electronic version to the CBI@epa.gov inbox or in hardcopy to:

Caution: This email originated from outside EPA, please exercise additional caution when deciding whether to open attachments or click on provided links.

Attached is a letter requesting a Presidential Exemption from compliance with the MATS Rule as provided for in Clean Air Act Section 112(i)(4). As described in the letter, we believe that required technology will not be available for four Oklahoma Gas and Electric Co. electric generating units ("EGU") and that an exemption is in the national security interests of the United States.
