A Newark, I think.

Q Have you been working for Owens-Illinois in that same city?

A Yes.

Q And what were you doing for Owens-Illinois in Newark? Is this Newark, New Jersey, or Newark, Ohio?

A Ohio.

Q Newark, Ohio. What were you doing for Owens-Illinois in Newark, Ohio, immediately when your paycheck started coming from Owens-Corning?

A Same damn thing, doing research, same location, same people, same everything, just changed the name.

Q Now, as far as you know then, the only thing that changed was the name on the paycheck that you received?

A Right.

Q You continued to work with the same Owens-Illinois people who now were working for Owens-Corning?
