Dear Mr. Smith:

Enclosed please find a photocopy of a letter Dave Sarvadi recently sent to D. D. Boatright of Verus Ex Curia, Inc. Ms. Boatright is apparently a Court Recorder for your attorney, Jack L. Lively. The letter is in regard to the deposition Dave gave in regards to both of the above captioned Workers' Compensation claims.

As Mr. Kull and myself have mentioned several times in the past, we would greatly appreciate any correspondence concerning either of the above captioned claims be channelled thru your office as well as ours instead of Mr. Lively working directly with Mr. Sarvadi. We noticed that your office was not sent a copy of the enclosed letter. We feel that it would be a good idea for you to contact Mr. Lively concerning this matter in order that your office and ours are properly informed concerning the progress of these two very important Workers' Compensation claims.

Since it appears that we may be lacking some other correspondence concerning the progress of the and Douglas' claims, we would greatly appreciate your office sending us a current status report concerning both of these cases. We would also like a copy of Dave's deposition.

We trust you will understand our position with respect to this matter. Your usual cooperation will be appreciated.

Very truly yours,

THE SHERWIN-WILLIAMS COMPANY
