Thank you for the additional information. I believe John will prefer to meet with Administrator Pruitt alone, but if Administrator Pruitt needs staff with him that's obviously completely fine on our end. Please let me know if you need anything else.

Hi Nick,

I am the point of contact for logistic of your meeting. I have whom attending, day and time. Here are the directions/instruction to your meeting:

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, between Constitution Ave and Pennsylvania Ave. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process

That is correct! Cheryl, copied on this email, will reach out the day before to give final directions on location and security. Thank you!

Sydney,

I just wanted to check back in and make sure everything was set for next Wednesday at 10:00 AM. And is the location Administrator Pruitt's office at 1200 Pennsylvania Avenue, NW? Thanks.

It will be John and one staffer. Either myself or Elizabeth Preddy. John and Administrator Pruitt know each other pretty well, and I believe Administrator Pruitt had actually spoken to him about them meeting in the near future, so I'm not entirely sure what the topic is. If I need to push John on it, I can. Just let me know.

That should work on our end. We have an event in Tysons Corner that ends around 9:00 AM, so let's book it. Thanks so much for your help.

Hi Nick,

Hope this email finds you well! Millan forwarded over to me the request for a meeting with Admin. Pruitt on DC. We are having a scheduling meeting today but as it sits now both the 20th and the 29th may not be available. I will get back with you as soon as I know a little more.

Thank you!
