

TRY ANACONDA'S ALL-PURPOSE WHITE LEAD

*See for yourself that it's Easier to Use...
does a Better Job!*

The big advantage of Anaconda all-purpose White Lead is its suitability for all painting work. No matter what kind of a job you have coming up, this product will do the trick.

But that's not half of it. You'll also do a better job if you use Anaconda. There's the real news. Actual tests

prove it gives whiter whites and cleaner tints. What's more, it gives the paint all the durability of pure White Lead. Use Anaconda White Lead and see for yourself that it is whiter, purer, better! And remember this—Anaconda costs no more than ordinary kinds.
