Dear Dr. Gross:

On page 17 of the INDUSTRIAL HYGIENE DIGEST for August 1966, there is a reference to your letter to the editor of ARCHIVES OF PATHOLOGY, disagreeing with some of the conclusions of an article by Thomson and Graves on asbestos in the May issue.

If you could send us a copy of your letter we would appreciate it. If there are no copies available, perhaps you could tell us in what issue it was published.

Very truly yours,

(Mrs.) Harriet McBride
