CHLORINE water ?

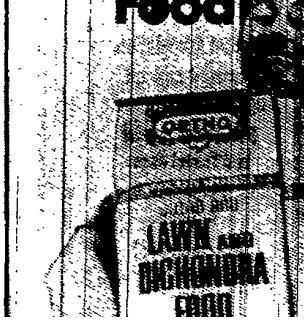

Tired of drinking water that tastes like it came out of a swimming pool? This problem is simple to cure! You can remove surplus chlorine and other bad tastes and smells with an Aqua-Pure® Taste and Odor Filter.

This small (13 inch) home water filter fits on your water line right under your kitchen sink. All your cooking and drinking water flows through a cylinder of activated-carbon, comes out smelling and tasting like fresh spring-water! Wonderful for coffee, tea, other beverages!

Easily installed. Call us TODAY! Drink good-tasting water TOMORROW!

into growth. As the shoots push upward, keep filling the hole with top soil until you have a small mound around the growing stem with a slight ditch or basin around each plant about six or eight inches from the

Redwood City Rose Show Is Scheduled

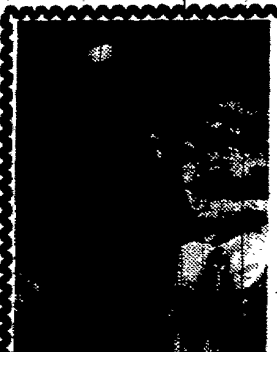

Members of the Peninsula Rose Society are grooming their best roses in preparation for the Society's Fourteenth Annual Rose Show to be held in St. Peter's Episcopal Church Parish Hall, Brewster and Clinton Streets, Redwood City. The dates are Saturday, April 25, from 3 to 8 p.m. and Sunday, april 26 from noon to 5 p.m.

J. Harvey Brown of Menlo Park, president of the Peninsula Rose Society, and Paul Wirth of Millbrae, general show chairman, extend an invitation to the public to attend the show which is free of charge. Hundreds of rose blooms will be on display filling the Parish Hall with their fragrance.

Members of the society will be competing for ribbons and 26 trophies, also medals and certificate awards from the American Rose Society and the Royal National Rose Society of Great Britain. An unusual display in this country will be the English box wherein blooms only are featured. The awards will be made by 12 Bay Area accredited rose judges.

Non-members are invited to exhibit cut blooms and arrangements for ribbon awards. Entries should be taken to the Parish Hall before noon on Saturday. Further information may be obtained by calling Mrs. Paul Wirth, chairman of the Novice and Non-member Division.
