

1 A Yes.

2 Q Now, you mentioned that there were
3 pipecoverers at this location.

4 Just out of curiosity, Mr. Urps, have you
5 ever done any pipecovering work yourself?

6 A Yes, I have.

7 Q How is it a person who has been in the
8 plastering union for so many years can move over and
9 do pipecovering?

10 I know that unions are separated, but how
11 does that work?

12 A The plasterers had a good relationship with
13 Local 11, and --

14 Q And Local 11 is what local?

15 A That is the Asbestos Workers Local.

16 Q Okay.

17 A And periodically our work would be slow and
18 they would be busy and they would like permit men to
19 help -- to go along with their work, too.

20 Q That is called a permit worker?

21 A Permit worker, yes.
