Hi Kelly,

Quick update here...talked with our team and our CEO Tom Kuhn. We are totally fine with a videoconference option in case the shutdown persists (which appears likely at this moment), though naturally we all prefer an in-person situation. I am just trying to sort out the actual technical elements just to make sure we can do it, and then we could talk again soon about next steps, OK?

Thanks,

Jim (Ex. 6 Personal mobile)

Good morning Jim -

Happy New Year!

Thank you for your patience as we have navigated through the impacts of the shutdown.

With the conclusion of the shutdown still up in the air, I am hoping to talk through a contingency plan with you. As such, are you available for a brief phone call this morning at 11:00? If so, please let me know the best number to call.

Thanks,

Kelly

Hi Kelly:

Thanks for your note, and best wishes to you also for the holidays. I am very grateful for the head's-up regarding the impact of the government shutdown. At this point, we would not want to impose any kind of deadline on your end, so let's push as deep as we can into 2019 and, with any luck, the stalemate will have been resolved, and all will be well. We certainly do remain eager to host the Acting Administrator on January 9 and, failing that, soon after I hope. Again, many thanks for notifying us about this issue. Best wishes and happy new year,

Jim

Hi Jim –

I hope you had a wonderful holiday!

In lieu of the government shutdown, I wanted to reach out regarding Acting Administrator Wheeler's attendance at the EEI Winter Board of Director's Meeting.

While Acting Administrator Wheeler has been looking forward to being a part of your event, we have received guidance from the White House that Cabinet members should not travel until the government shutdown has ended. With that being said, if the government is still shut down through the week of January 7th, unfortunately, Acting Administrator Wheeler will not be able to travel to Florida. I will certainly keep in touch with you as the status of the shutdown unfolds.

In the meantime, please let me know how soon you need a final answer from us regarding Acting Administrator Wheeler's attendance in order to ensure you have enough time to secure a replacement.

Thank you in advance for your understanding. Have a nice weekend.

Best,

Kelly

Hi Kelly,

This is Jim Owen back from EEI. As we are now inside two weeks, I just wanted to check in and make sure you guys are all set for the acting administrator's trip to Palm Beach for our Board of Directors on January 9. Also, has a decision been made about his attendance at our Executive Committee Dinner on the evening of Tuesday, January 8? I am easily reachable all the way through to our meeting in January, 202 256 8447.

Please advise and thanks. Jim

Jim –

Thank you for providing additional information regarding the Executive Committee Dinner and for connecting us with Hiwot.

Hiwot, I sent an e-intro to you and our travel preparers a few moments ago.

Please let me know if you need any further information on our end.

Thanks,

Kelly

Hi Kelly,

Great to speak with you just now, and glad we are pinning this down for Wednesday morning, January 9, at approximately 9:30 a.m. for the Acting Administrator's remarks.

As I mentioned, the Executive Committee Dinner will be held the previous evening beginning (1/8) at 7:00 p.m. inside the Breakers Hotel, and we would love to have Mr. Wheeler join that dinner, which will be attended by approximately 20 CEOs comprising our Executive Committee. Please note, this will be a social event and we expect a number of spouses to attend, potentially along with other VIPs still to be determined.

Herein I am also adding Hiwot Lemma from our team, who can assist you with housing Mr. Wheeler on the evening of the 8th and also help you secure a government rate for that night.

Please don't hesitate to contact me at any time at 202 256 8447 with any questions or concerns. Thanks,

Jim

Good morning Jim –

My colleague, Aaron Dickerson, forwarded your reply to my previous email. As such, I wanted to follow up regarding the dates offered. I saw on the speaker request form that the morning of Thursday, January 10th is preferable, however, due

to a scheduling conflict, I thought I would ask if there is any chance the morning of Wednesday, January 9th would work for you?

We appreciate your consideration.

Best,

Kelly

Kelly: Thanks for sending along the speaker request form. I'm copying two of my colleagues on this. Jim Owen is responsible for our CEO meetings and will be the point of contact for all our speakers. He plans to fill out the form and get it back to you. We'll make sure that gets done today.

Good morning Kathy –

I hope you had a nice weekend!

I wanted to follow up on this email to gather a bit more information from you. As previously mentioned, Acting Administrator appreciates your invitation to speak during the Edison Electric Winter Board meeting and is interested in attending.

When you have the chance, would you mind letting me know if you have a preference regarding which day he attends?

Thank you in advance for your input.

Best,

Kelly

Good morning Kathy –

Thank you for extending an invitation to Acting Administrator Wheeler to speak during your Board of Directors' meeting in January. The Administrator is very interested in attending this event. As such, would you mind completing the attached speaker request form?

If you have any questions while completing the form, please don't hesitate to call or email me.
