11:30 should work well. Would you mind to kindly send a call in number?

Also, looks like May 17th is good on our end. So, he will address the board on May 17 and address the lunch on June 21.

Thanks Ralf!

Hi Millan!

The 26th works best on our end for a call. Would 11:30am work for you all?

Thanks!

Good morning Ralf -- unsure yet on the 17th but should hopefully have answer for you by the end of the week.

Yes, a call would be great. With it being Easter recess, we are traveling next week with the Administrator so could we maybe look at the 25th or 26th?

Thanks so much,

Millan

Not a problem, Millan!

We're very excited to be able to welcome Admin. Pruitt back to the Institute for a June 21st luncheon event. Just to double-check, he'd be unavailable to also address our board on the 17th of May, correct?

I've Cc'd our events director, Taisha Camacho, who will begin working on securing a venue. I think it would be a good idea to perhaps get on a short call in the next week or two with her, our comms director, and the relevant members of your team to discuss some logistical matters. Let us know if/when you might be available to do that.

Looking forward to working with you again!

Ralf,

Thank you so much for following up. He definitely wants to participate here. If lunch on June 21st is still available then that will work for us!

I apologize that it took us this long to get you an answer.

Hi Millan,

Hope you had a great weekend. I just wanted to follow up to see if your team has had a chance to think about possible dates yet. As you can imagine, our program calendar is pretty robust, so we try to be as strategic as possible in calendaring our smaller events around appearances by high-level speakers such as Admin. Pruitt. That said, if you can give us an idea of what week(s) Admin. Pruitt might prefer (even if not an exact date yet)—or if he's leaning toward speaking at our private board meeting next month in lieu of a public event—that information would be helpful to our event staff in their planning of the broader program calendar.

Best,

Ralf,

Yes, everything was perfect with the request form. The Administrator very much wants to participate here so we are just working on determining the best date.

Dean - it is a pleasure to meet you via email. This sounds like a wonderful opportunity. It is very kind of you all to want to include him! Would you be willing to share what questions you would have of him for this video, who all

will be seeing it, and when you would like to do the filming?

Thank you very much,

Millan

Hi Millan!

Just thought I'd check in to make sure everything was okay with the request form I submitted last week. As always, feel free to let me know if you need anything further on my part.

I also wanted to introduce my colleague Dean Ball (Cc'd), who is putting together a short 40th Anniversary video to be shown at our annual Hamilton Awards Dinner (to which the Administrator has also been invited). The video would feature interviews with several of our country's most prominent political and intellectual figures discussing their thoughts on MI's past, present, and future; and we'd be honored to include Administrator Pruitt. It would only require about 30 minutes of his time, and we would be more than happy to send someone down to his office to film. If that's something you guys are open to, please feel free to coordinate with Dean.

I look forward to hearing back from you soon.

Kind regards,

-Ralf

Good afternoon, Michelle!

My name is Ralf Mangual, and I manage legal policy projects here at the Manhattan Institute. I just got off the phone with Millan Hupp who kindly returned my call in regards to an invite our President would like to extend to Administrator Pruitt. She asked me to send an e-copy of the letter (see attached) your way. We're thinking late May but are very flexible in terms of timing.

Please don't hesitate to reach out to me at any time if you have any questions or need more information. Thanks in advance for your time, and I hope we'll have the pleasure of hosting Administrator Pruitt again soon.

Kind regards,

-Ralf
