No problem man. I appreciate you thinking about it and the suggestion. We'll work together on a number of things in the future anyway too.

After much thought over the past several days, I'm not sure I'm the best fit for what will by necessity be a heavily detailed focus on the science ORD conducts, SAB reviews, etc.

His resume is attached.

Guys I'm dragging this morning with this head cold which has gotten worse. If I'm not there at 9 get him out. Keep him on time.
