Inspection Warrant
Docket No. C-84-15M

INSPECTION WARRANT

TO: Raymond L. Skinner AND/OR ANY OTHER DULY APPOINTED COMPLIANCE
OFFICERS OF THE OCCUPATIONAL SAFETY AND HEALTH ADMINISTRATION, UNITED
STATES DEPARTMENT OF LABOR (OSHA).

Request having been made and sufficient facts having been presented
to the Court, the Court, based on these facts hereby finds probable
cause exists to believe that the workplace hereinafter described was
selected for a programmed health inspection pursuant to a scheduling
system based upon objective selection criteria. The Court further
finds, based on the facts presented that the proposed scope of the
warrant is reasonable. Therefore,

IT IS HEREBY ORDERED that, pursuant to Section 8(a), 29 U.S.C.
§657(a), of the Occupational Safety and Health Act of 1970 (29 U.S.C.
651 et seq.), hereinafter referred to as "the Act", you or your duly
designated representative(s) are authorized to enter the workplace
hereinafter described within ten (10) days for the purpose of conducting
a programmed health inspection.

Said inspection shall begin within ten (10) days and shall be
conducted and finished within a reasonable time. Said inspection shall
be conducted during regular working hours and at other reasonable times,
within reasonable limits and in a reasonable manner.

CH/W-003366

Said inspection shall extend to all pertinent conditions, structures, machines, apparatus, devices, equipment, and materials necessary to effectuate its purpose. The compliance personnel shall be permitted to question privately any employer, owner, operator, agent, or employee. The compliance personnel shall also be permitted to review records, (excluding employee medical records) required by 29 U.S.C. §657(c) and regulations promulgated pursuant thereto, which are directly related to the purpose of the inspection and to take photographs related to the purpose of the inspection.

The compliance personnel shall be permitted to affix to employees of said employer, who agree to wear testing and/or sampling equipment, such testing and/or sampling equipment as is reasonably necessary to effectuate the purpose of the inspection and to conduct such other testing and/or sampling as is reasonably necessary to effectuate the same.

SCOPE OF INSPECTION:

The scope of the inspection is hereby limited to determining whether the conditions existing at the workplace hereinafter described are in compliance with the act and applicable regulations regarding health hazards.

DESCRIPTION OF WORKPLACE:

Champlin Petroleum Company
1801 Nueces Bay Blvd.
Corpus Christi, Texas

No return of this warrant need be made.
