and beautify YOUR HOME

WHEN YOU PAINT your home with Fuller Pure Prepared, the White Lead paint, you are giving it lasting beauty. Fuller Pure Prepared Paint covers more surface per gallon, gives greater protection, lasts longer and *always* looks better. The best paint can't be made from White Lead substitutes. The cost of pure White Lead prohibits its use, in practical quantities, in cheap paints. Fuller Pure Prepared Paint is made of pure White Lead (for body and elasticity); Pure Zinc Oxide (for spreading capacity and hardness); the highest grade of linseed oil. It is the finest ready-mixed paint you can buy. Every cent you pay for it is justified by the lasting beauty and protection it gives your home. Consult a Master Painter—and specify Fuller Pure Prepared. Ask your nearest Fuller dealer, listed below, for a Fuller Pure Prepared color card. Write to W. P. Fuller & Co. for booklet, "Your Home As Others See It".
