

Date July 16, 1987

Subject #16 Block Preform Mach.

From V.A. Weiss

To. M. Funk
D. Kidd, R.N.
B. Tizio

Due to verbal notification from Mr. Mike Lindsay regarding exposure above the P.E.L. (Permissible Exposure Limit) for asbestos, the following steps must be taken immediately:

1. An approved respirator must be used in conjunction with our respirator use program, when we are running asbestos mix in Preform machine #16.

(Responsibility-M. Funk)

2. Dust collection on #16 Preform machine will be improved.

(Responsibility-B. Tizio)

3. New fiber count baseline studies will be made to ascertain the effectiveness of Point #2.

(Responsibility-D. Kidd)
