Dear Charles:

Here is the list of "O.S.H.A. Safe" talcs from United Sierra coded
by The Sherwin Williams Company.

<u>Sherwin Williams Code</u>	<u>United Sierra Division Name</u>
62-20-24	Mistron MSC
62-20-25	Mistron HGO 75
62-20-26	Mistron HGO 75
62-23-00	C - 400 Talc
62-26-22	C - 400 Talc
62-30-22	Mistron Monomix, Mistron Frost
62-30-23	Mistron ZSC
62-32-00	Mistron 139
62-33-00	Mistron T-076, Mistron HGO 75
62-35-00	Mistron F-128

These are based on orders received from The Sherwin Williams Company
as well as information given our salesmen by your purchasing people.

Charles, I would like to meet with you and go over your code list
of talcs so that time may be saved by suggesting the most likely
candidates for each code where there is no United Sierra Talc
presently approved.

Hope this is of help.

Best Regards,

Merle D. Held
