Christian,
In light of the Governor's inability to attend, I wanted to offer that if the Administrator would like to have someone from the Governor's office attend, or perhaps Wyoming's DEQ Director who would have a depth of knowledge on lots of issues, please let me know.

Just throwing this out as an offer if he'd like a state of Wyoming individual there.

Regards,
Colin

Christian, I was able to visit with the Governor briefly on the phone this morning, and we did review the current schedule for the Governor on March 29.

Unfortunately, the Governor will not be available to participate in the mine tour with Administrator Pruitt next Thursday morning.

Thank you for the offer and your understanding,

Ruth

Hi Ruth,

Colin gave me your email address. I work for Administrator Pruitt at EPA and he will be in WY next Thursday morning March 29th for a mine tour with Senator's Barrasso and Enzi. We wanted to reach out to see if Governor Mead would be able to join as well?

The tour will be in Wright, WY at 8:30am. If he is able to attend we can get you some more logistical details.

Please keep a very close hold on this visit, the location is not being released to the media.

Have a terrific day,
