Subject: NMA Letter of Support for EO on Critical Mineral Supply Chains
Attachments: Executive Order Letter to Wheeler 10.05.20.pdf

Good Morning Mandy,

I hope you are doing well. I wanted to share a letter sent yesterday from NMA's President and CEO, Rich Nolan, to Administrator Wheeler expressing support for President Trump's Executive Order on critical mineral supply chains. As the EPA begins work to implement the EO, please use NMA and our members as a resource to assist in these efforts. Should you have any questions, do not hesitate to reach out.

Thank you,
