Dear Mr. O'Hare:

By letter dated April 25, 1985, I provided you with a copy of Environmental Health Perspectives, Vol. 41, October 1981 as well as one lot of UCC sales literature as a result of your promise to copy and return the originals as soon as possible.

Please check your files and return the material to me. Sireci is not the only litigation requiring these records.

Very truly yours,
