**THE SHERWIN-WILLIAMS CO.**

GEORGE A. MARTIN

PRESIDENT

*To the Stockholders:*

Herewith you will find the Annual Report of the Company for the fiscal year ended August 31, 1931.

The Balance Sheet shows the Company in good financial condition, having in cash and United States Government Securities \$6,550,148.68, and no indebtedness to banks. Cash resources alone exceed by \$3,366,570.95 all liabilities.

Net Earnings, after deducting all charges and reserves for depreciation and taxes, amount to \$3,222,732.93.

Consolidated Sales were 16.4% under last year.

Operating Expenses, covering Administration, Selling and Production, showed a saving of \$2,318,685.

Our Organization has been adjusted to meet conditions and is so under control and well balanced as will admit of our being able to cope with any situation.

In the month of June, 1931, the Company acquired controlling interest, through purchase of Common Stock, of The Sherwin-Williams Company of Canada, Ltd., which Company with all of its allied connections stands in name and reputation in Canada on a parity with that of The Sherwin-Williams Company in the United States.

In conclusion, I cannot speak too highly of the human element that goes to make up this

Organization in all sections and departments of the business, and to say that the staff has given its very best in loyal, faithful and whole-hearted service, and has left nothing undone to serve the Company in every possible way in meeting all of the conditions that have confronted it.

Respectfully submitted,

President
