EDUCATION

Ph.D.	Urban and Regional Studies	1984
	Massachusetts Institute of Technology	Environmental policy and planning
M.C.P.	City and Regional Planning	1978
	University of California, Berkeley	Land use planning and economics
B.S.	Architecture	1974
B.S.	Urban Studies	1974
	Massachusetts Institute of Technology	Urban design

PROFESSIONAL DISPUTE RESOLUTION EXPERIENCE

Co-Director	The Southeast Negotiation Network	
	Center for Planning and Development	
	Georgia Institute of Technology	1986 - present

Principal	Bourne Elliott Associates	1989 - present
------------------	----------------------------------	-----------------------

Co-founded SNN as a university-based neutral forum to provide experienced facilitators for resolving policy, planning and development disputes; to foster strategic planning in public and private decision making; to develop and test innovative techniques for consensus building; and to build the capacity of communities, institutions and individuals to manage conflict. Established Bourne Elliott Associates as an alternative to a university-based forum for projects best conducted on a consultancy basis.

DSW 134048

MEDIATION, NEGOTIATION AND FACILITATION EXPERIENCE

#	Project Title		Role	Dates	Conveners and Participants	Project Description
1.	Community Advisory Panel		Director; Mediator	2/92-present	Velsicol Chemical Corp. and community residents of Chattanooga	a community panel to enhance joint problem solving between Velsicol and the neighborhood and community in which it is located.
2.	Beneficial Use of Dredged Materials		Co-Director; Facilitator	10/91-present	U. S. Environmental Protection Agency, Army Corps of Engineers, state environmental and natural resource agencies	an on-going policy dialogue concerning the disposal and beneficial re-use of materials dredged from waterways.
3.	Environmental Management and Dispute Resolution in the former Soviet Union	Central Asian Republics	Co-Director; Trainer and Process Consultant	7/92 - present	parlamentary officials; Kazakhstan Ministries of Industry, Environment, Economy, Geology and Energy, raion (local) and oblast (regional) officials; Uzbekistan environmental officials	develop public administration infrastructure for the Caspian Sea oil development region of Tengiz, with emphasis on intergovernmental relations, resource management and negotiation skills.
4.		Estonia; the Baltic States		11/91-present	Estonian Ministries of Ecology, Labor and Economy; Latvian & Lithuanian environmental ministries; Estonian regional environmental advisors	training and consultances on environmental management, policymaking and consensus building, and on the design of conflict management systems (11/91 & 3/92).
5.		The Soviet Union		11/91	Ministry of Natural Resource Management and Environmental Protection of the USSR; parliamentary leaders and environment officials of Belarus, Armenia, Georgia, Kirgyzstan, Moldova, Mongolia, Russia, Tajikistan, and Ukraine; St. Petersburg City Council Ecological Commission and Lenkompriroda (regional planning)	consultances on the U. S. experience with environmental management, policymaking and dispute resolution.
6.	Piedmont Park Management		Process Consultant	5/91-6/92	City of Atlanta, Piedmont Park Conservancy	consultations on creating a public-private partnership to enhance fund raising and management of Atlanta's largest park

MEDIATION, NEGOTIATION AND FACILITATION EXPERIENCE

#	Project Title	Role	Dates	Conveners and Participants	Project Description
7.	Southeast Regional Groundwater Protection Strategy	Co-Director; Co-Facilitator	9/91-4/92	U.S. Environmental Protection Agency, state environmental agencies	a three day workshop of groundwater specialists to develop state-federal strategies for groundwater protection.
8.	Atlanta Parks Management Planning	Co-Director; Co-Facilitator	9/91-4/92	The Mayor's Green Ribbon Committee	a community congress on issues of park management and priorities.
9.	Neotropical Migratory Bird Conservation Program	Co-Director; Co-Facilitator	10/91-3/91	U.S. Forest Service, Fish and Wildlife Service, Bureau of Land Management, National Park Service, and AID; Latin American agencies, state and non-profit wildlife agencies, National Fish and Wildlife Foundation	a policy dialogue involving federal, state and non-profit specialists; draft an inter-agency program for managing these species.
10.	Pack Place Courtyards Charette	Director; Facilitator	4/91-7/91	Pack Place, a multi-user museum complex located in Asheville, NC; Peter Drey & Associates	a design charette for the outdoor public courtyards of the museum.
11.	Citizen Participation in Comprehensive Growth Management Planning	Co-Director; Co-Mediator	7/90-3/92	Gwinnett County Department of Planning, community interests	a community-wide participation and consensus building process for input into comprehensive and infrastructure planning.
12.	Cobb County Historic Preservation Program	Co-Director; Co-Mediator	8/90-11/91	Cobb County Board of Commissioners, community interests	a consensus building process to develop a county-wide Historic Preservation Program.
13.	Improving Access to Health Care in Georgia	Director; Mediator	7/90-2/92	The Access to Health Care Commission of the Georgia General Assembly	a consensus building process to develop recommendation for improving access to health care for the 20% of state residents who are underserved.
14.	Transportation Dispute Management	Process Consultant	7/90-9/90	Public Private Transportation Network	consultations on the use of dispute resolution techniques to resolve transportation disputes.
15.	Growth Management Disputes	Process Consultant	5/90	Florida Growth Management Conflict Resolution Consortium	consultations on methods for improving the field of conflict resolution in the State of Florida.

MEDIATION, NEGOTIATION AND FACILITATION EXPERIENCE

#	Project Title	Role	Dates	Conveners and Participants	Project Description
16.	Atlanta Arts and Cultural Planning Process	Co-Director; Co-Mediator	4/90-11/90	Atlanta Bureau of Cultural Affairs, artists, business and civic leaders, and interested parties	a consensus building process to develop a Blueprint for Action for the cultivation and support of art and artists in Atlanta; included a 500-person working Congress.
17.	Red-Cockaded Woodpecker Management Summit	Co-Director; Co-Facilitator	3/90-6/90	national scientific and technical experts, National Wildlife Federation	a scientific summit on the Red Cockaded woodpecker (an endangered species) to focus on current knowledge and implications for forest management.
18.	Solid Waste Management Planning and Analysis for the City of Atlanta	Director; Mediator	8/89-2/91	Atlanta Solid Waste Advisory Commission, Department of Public Works	a community participation process to develop a solid waste management plan.
19.	Project 2000	Director; Co-Mediator	11/89-5/90	public officials of Dalton and Whitfield County	a negotiation between city and county officials over a cooperative management plan for growth and development in the region.
20.	Affordable Housing Strategies for Metropolitan Atlanta	Co-Director; Co-Facilitator	9/89-11/89	Atlanta Housing Resource Center	a strategic planning process addressing affordable housing issues for the metropolitan area.
21.			9/88-12/88	Metropolitan Atlanta Alliance for Human Services, developers, non-profit and public housing providers	
22.	Big Cypress National Preserve	Director; Co-Mediator	5/89-5/90	U.S. National Park Service and the State of Florida	a mediation to develop a consensus agreement concerning the Preserve General Management Plan and its implementation.
23.	Farmer-Lender Dispute Resolution	Co-Director; Co-Mediator	4/89-10/89	U.S. Farmers Home Administration, Georgian farmers and lenders	mediation between farmers and their lenders for restructuring debt when failure to restructure such debt would lead to bankruptcy.

MEDIATION, NEGOTIATION AND FACILITATION EXPERIENCE					
#	Project Title	Role	Dates	Conveners and Participants	Project Description
24.	The Georgia Waste Management Forum	Co-Facilitator	7/87-3/92	environmental and public works agencies, environmental interests, private waste managers, and state, county and local officials	a policy dialogue on state and local waste management policy.
25.	Atlanta Solid Waste Management Project	Co-Director; Co-Facilitator	9/87-4/88	Atlanta City Council	a public education forum and planning process for solid waste management in Atlanta.
26.	Atlanta Historic Preservation Program	Director; Co-Mediator	3/87-9/88	local government, business and historic preservation interests, National Trust for Historic Preservation	a mediated historic preservation planning process for Atlanta leading to a complete legislative rewrite.
27.	Negotiated Siting Process for Hazardous Waste Facilities	Process Consultant	12/86-10/87	Conservation Foundation	consultations on the use of negotiation in the siting of hazardous waste treatment and disposal facilities.
28.			10/87	U.S. Environmental Protection Agency, Northwest Region	consultations on the application of conflict management techniques to hazardous waste facility siting disputes.
29.	Environmental Impact Assessment	Process Consultant	11/86	U.S. Council on Environmental Quality	consultations on the potential applicability of conflict resolution techniques to the environmental impact assessment process.

Training Workshops

Building Government and Public Administration Capacities for Natural Resource Management, January-February 1993. Kazakhstan and Uzbekistan Ministries of Industry, Economics, Geology and Environment. Almaty, Kazakhstan.

Building Government and Public Administration Capacities for Natural Resource Management: Local, Regional and National Perspectives, February 1993. Officials of Kazakhstan national ministries, and oblast and raion officials of the Tengiz oil producing region along the Caspian Sea. Almaty, Kazakhstan.

Community Development Negotiations. May 1992. Atlanta Neighborhood Development Corporation, Atlanta, GA.

Policy-Making for Regional Environmental Management, Estonia. March 1992. The Estonian Ministries of Environment, Labor and Economy. Tallin, Estonia.

Dispute Resolution in Environmental Management. November 1991. The Baltic States of Estonia, Latvia, Lithuania, and the Commonwealth of Independent States of Belarus, Armenia, Georgia, Kirgyzstan, Moldova, Russia, Tajikistan, and Ukraine. Tallin, Estonia.

Conflict Resolution and Management as an Alternative to Litigation. June 1991. Georgia Tech Education Extension. Atlanta, GA.

Mediating Growth Strategies Issues. March 1991. Georgia Department of Community Affairs, Macon, GA.

Mediation Training for Growth Management Disputes. November 1990. Florida Growth Management Conflict Resolution Consortium. Orlando, FL.

Managing Conflict in Airport Noise and Land Use Planning. November 1989, 1990. Georgia Tech Education Extension. Atlanta, GA.

Negotiation Principles and Techniques for Land Management Planning. July 1990. U.S. Forest Service and the Georgia Center for Continuing Education. Athens, GA.

Approaches to Effective Policymaking: Jean Lafitte National Historic Park. May 1990. U.S. National Park Service and the Delta Region Preservation Commission. New Orleans, LA.

Negotiating and Managing Public Conflicts. May 1990. Vermont State Agency of Development and Community Affairs. Burlington, VT.

Negotiation Skills for Government Financing of Growth. April 1990. U. S. Government Finance Officers Association. Cincinnati, OH.

Negotiation and Conflict Management Skills Training for Transportation Planners. January 1990. Metropolitan Transportation Commission, Oakland, CA.

Negotiating and Managing Public Conflicts. October 1989 and April 1990. Georgia Tech Education Extension, Atlanta, GA.

Conflict Management Skills Training for Planners. July 1989. South Carolina Planning Association, Columbia, SC.

Negotiating and Managing Public Conflicts. May 1989. Georgia Tech Education Extension, San Francisco, CA.

Growth Management Conflict Resolution Skills Training. May 1989. Florida Growth Management Conflict Resolution Consortium, Tallahassee, FL.

Conflict Management Training for Public Officials and Volunteer Mediators. March 1989. Chatham County Dispute Settlement Center, Pittsboro, NC.

Negotiation and Conflict Management Skills Training for Public Administrators. December 1988. City of Phoenix, Phoenix, AZ.

Conflict Management Skills Training for Planners. November 1988. Georgia Planning Association, Macon, GA.

Conflict Management Skills Training for Planners. June 1988. Georgia Planning Association, Atlanta, GA.

Negotiating and Managing Public Conflicts. May 1988. Georgia Tech Education Extension, San Francisco, CA.

Negotiating and Managing Public Conflicts. March 1988. Georgia Tech Education Extension, Atlanta, GA.

Conflict Resolution: Agreement Through Negotiation. March 1987. Georgia Tech Education Extension, Atlanta, GA.

Leadership Dekalb. October, 1988. Facilitation of leadership training.

RESEARCH EXPERIENCE

Research and Scholarship, with funding in excess of one million dollars between 1979 and the present, largely focused on issues of dispute resolution, political process and environmental decision making. Relevant positions include:

- Director and Principal Investigator** Public Policy Program, Consortium on Multi-Party Conflicts of the Georgia Institute of Technology, Georgia State University and the University of Georgia, 1987 - present. Funding Source: The William and Flora Hewlett Foundation for grants totaling \$385,000. Direct the research and education initiatives of the Consortium as they apply to issues of public policy disputes and dispute resolution. The Consortium focuses on multi-party conflicts through research, education and seminar programs associated with the sources and resolution of conflicts in fields of public policymaking, organizational decision making and international affairs.
- Research Associate** Hazardous Waste Management Study. 5/84-12/84. Tufts University Center for Environmental Management. Develop research designs for three fields of hazardous waste management, including state siting processes, corporate waste management practices, and local opposition to siting hazardous waste facilities.
- Research Fellow** Environmental Risk Management and Facility Siting Project. 9/81-5/84. Joint Center for Urban Studies of MIT and Harvard, Hewlett Foundation, Mellon Foundation. Conduct gaming-simulation, case and opinion survey studies of public decision making for the management of environmental and health risks associated with hazardous industrial facilities.
- Assistant Research Director** Analysis of European Efforts at Citizen Participation and Action in Neighborhood Revitalization and the Management of Urban Services. 9/78-12/80. The German Marshall Fund. Coordinated the grantsmanship, research program and reporting for 15 case studies of citizen participation in Europe.

ADDITIONAL PROFESSIONAL EXPERIENCE

Expert Witness Worley, Schwartz, Garfield and Rice, San Diego CA, July, 1988 - June 1990.

Conducted research into the impacts of growth management legislation on the availability and cost of housing in the Southern California market.

- Environmental Consultant** University Space Research Association, Huntsville AL, April - September, 1988. Member of the Remote Sensing Synthesis Panel and consultant on environmental and facility siting decision making. Helped specify the user needs of a computerized geographic information system designed to integrate remote and locally sensed environmental data in both raster and vector format.
- Associate** The Community Design Center, Atlanta GA, April - October, 1986: with two colleagues, organized and conducted a citizen participation process in the Cabbagetown and Reynoldstown neighborhoods of Atlanta. The process was designed to facilitate planning for a two million dollar community fund.
- Program Planner and Mediator** New York Academy of Science, Program on Science and Society, New York City, 1984 - 1986: developed and helped initiate a program in dispute resolution for coping with scientific issues associated with public policymaking, with initial application to a dispute over emissions associated with resource recovery facilities.
- Designer** Dana Hall School, Wellesley MA, 1981 - 1983: developed a solar energy plan for renovating existing buildings and a design program for a new solar heated athletic complex.
- Environmental Planner** Environmental Resource Limited of London, 1980 - 1981; developed recommendations for creating an environmental impact assessment process for the national government of the Netherlands, based on an analysis of the United States EIA process.
- Executive Assistant for Program Development** New York City Mayor's Office of Economic Development, 1977 - 1978: under the auspices of the Deputy Mayor for economic development, coordinated the creation of an Office of Commercial Revitalization and the planning of a five million dollar comprehensive assistance program for local merchants. Served as OED liaison to the Department of City Planning and as OED project manager for grants to the New York City Chamber of Commerce.
- Environmental Planner** Marin County Department of Environmental Services, California, 1975 - 1976: assessed the visual and land use impacts for alternative land use plans proposed for the 1,500 acre Hamilton Air Force Base.
- Program Planner** The Design Office of the Boston Museum of Fine Arts, 1973 - 1974: developed a public information and guidance system for Museum visitors based on interviews, observation, and the testing of maps.

DSW 134056

Designer and Site Planner Design for three private residences: McCabe Residence, 1984, Merrimac, New Hampshire: a solar heated single-family residence, 2,100 sq. ft. on twenty acres of riverfront property. Elliott Residence, 1985, Hudson, New Hampshire: a conventionally heated single-family residence, 1,400 sq. ft. on an one acre lot. McRoberts Residence, 1975, Hollis, New Hampshire: an earth and solar heated single-family residence, 2,000 sq. ft. on a nine acre lot.

AWARDS, HONORS AND PROFESSIONAL SERVICE

Awards and Honors

Recipient, *Georgia Tech Outstanding Interdisciplinary Activities Award* in recognition for "pioneering work in developing interdisciplinary collaborations and programs that have enhanced research and teaching at Georgia Tech," 1991.

Finalist, Outstanding Achievement in Research Program Development, Georgia Institute of Technology, 1989.

Appointed to the Panel of Arbitrators by the American Arbitration Association, 1989 to present.

Recipient, *Georgia Planning Association Merit Award* for the design and implementation of the Atlanta Comprehensive Historic Preservation Planning Process, 1988. The plan that emerged from the process also the *Bronze Medal Award* from the Georgia Chapter of the American Institute of Architects (1989) and the *Preservation Award* from the Georgia Trust for Historic Preservation (1989).

Finalist, Kellogg Foundation National Fellowship Program, 1989.

Department of Urban Studies and Planning nominee for the M.I.T. Goodwin Award for teaching excellence (AY 1980-81).

V.O. Key Fellow of the Joint Center for Urban Studies of MIT and Harvard University, 1981 - 1984.

Fellow with the New York City Program in Urban Management, 1977 - 1978.

Professional Service

Member, Editorial Policy Committee, Environmental Impact Assessment Review, 1984 to present.

Member, Editorial Policy Committee, Consensus, 1988 to present.

Member, Georgia Department of Community Affairs, Mediation Issues Work Group, Georgia Growth Strategies Implementation Issues Policy Task Force, March - September, 1990.

Vice-Chair, Atlanta Solid Waste Advisory Commission, September 1989 to present and Chair, Recycling Committee of the Solid Waste Advisory Commission, May to September 1989. The Commission is charged with developing a comprehensive proposal for the management of solid waste in the City of Atlanta.

Co-Organizer and Co-Convener (with Doug Yarn and Greg Bourne), Southeast Conference on Environmental Policy-Making and Dispute Resolution, sponsored by the Consortium on Multi-Party Conflict Resolution and the American Arbitration Association, with the co-sponsorship of the National Institute of Dispute Resolution, U.S. Environmental Protection Agency, U.S. Army Corps of Engineers, Florida Growth Management Conflict Resolution Consortium, Nature Conservancy, National Wildlife Federation, RESOLVE, World Wildlife Fund, the Conservation Foundation, and the State Bars of GA and SC.

External Reviewer for the Research Fellowship Program of the National Institute for Dispute Resolution, 1987 and 1988.

Marketing and registration coordinator for the 27th Annual Conference of the Association of Collegiate Schools of Planning, held at The Westin Peachtree Plaza, Atlanta, GA, by the Graduate City Planning Program on November 1-3, 1985.

Member, American Planning Association (including membership in the Urban Design and Preservation Division and the Environmental Planning Division), 1988 to present.

Member, Society for Risk Analysis, 1985 to present.

Member, Society of Professionals in Dispute Resolution, 1985 to present.

Member, International Association for Conflict Management, 1988 to present.

Member, Association for Public Policy Analysis and Management, 1985 to 1989.
