Attention: Mr. J.A. Carleton

Gentlemen:

This will acknowledge your telephone call of May 5th in which you asked about a sample of our 6374 asbestos cloth given our special FLAMEGARD formula S-13 treatment.

As promised you we have mailed to your attention a 1 yd. sample of our 6374 asbestos cloth given this special treatment dyed yellow. As explained to you the 6374 asbestos cloth with this special treatment is $5.80 per sq. yd. in colors at $5.90 per sq. yd. in natural color. The minimum order for this is 500 yds. and the width can be anywhere between 36" and 54" wide.

After you have had an opportunity of looking at this sample we shall appreciate having your comments and hope that you will send through an order so that we might be of service to you.

Yours very truly,

Sales Service Department
