Dr. Robert A. Kehoe,
College of Medicine,
University of Cincinnati,
Cincinnati, Ohio.

Dear Dr. Kehoe:

Have you by any chance published the paper which you presented at the Spring meeting of the American Chemical Society, relating to the lead excreted by normal subjects and the source of the lead which is absorbed? If so I would like very much to have a copy. We wrote you concerning this last April.

Very truly yours,

F. E. Womser
Secretary.
