RE: *Bogner v. TDCC*

Dear John:

As a courtesy, enclosed please find copies of the documents referred to in The Dow Chemical Company's ("TDCC") Supplemental Responses to Certain of Plaintiff's First Set of Interrogatories and Requests for the Production of Documents (bates nos. TDCC/Bogner0001- TDCC/Bogner0123).

By copy of this letter I am informing all counsel of this production and invite them to contact me if they want copies of the documents.

Also, it has come to our attention that there is a transposition error in the bates number (UCC076415) referenced in the supplemental response to Interrogatory No. 1. The correct number should read UCC074615. I apologize for any inconvenience this may have caused and please feel free to call me if you have any questions.

Very truly yours,

Samuel Goldblatt
