

MEMORANDUM

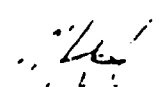

April 4, 1990

TO: Richard Finke
FROM: M. G. Grant
RE: Asbestos Removal

In order to repair the Roto-Clone exhaust system in the Grace Dining Room (4th Floor), it will be necessary to have a small amount of asbestos removed from the ceiling. We have contracted with Kaselaan & D'Angelo Associates, Inc. to perform the consulting and technical services required, and Advatex to perform the asbestos abatement.

If you require more information, please call me.
