Hi Traci,

It was nice to meet you, too. Thank you for your email. I was in a meeting with Mike today and he mentioned your visit last week. I would be interested in hearing about your regulatory reform ideas. Please work with Robin to schedule a time to discuss.

Best,

Brittany

Hi Brittany,

It was great to meet you at the Chamber meeting yesterday morning. I really appreciated hearing your perspective on all of the opportunities you and your team have at the agency. As we discussed, I work at Cummins and lead our government relations efforts on energy and environment issues, including truck and engine regulation for fuel efficiency and NOx.

I also mentioned that my colleague, Brian Mormino, was in town for meetings with the White House and your colleagues Ryan and Mandy (cc'd) at EPA to discuss some of these issues. I know we wanted to follow up with Mandy and keep you all in the loop on our discussions with the WH (Mike Catanzarro) regarding potential regulation streamlining and next-tier NOx, and I wanted to see if you might have time for a 30 minute meeting or call with me and Brian to fill you in on discussions.

Please let me know if this may be of interest to you.

Thanks so much!

All the best,

**Traci Kraus**
