Dear Mr. [REDACTED]

Since seeing you a day or two ago I have come to the conclusion that we should have a complete X-Ray examination of your abdomen. Accordingly I have made arrangements for you to see Dr. Sam Brown whose office is at 707 Race Street, on either Monday, Tuesday or Wednesday. You should report an hour or so before noon without having had your lunch. Dr. Brown will tell you when to return and will handle the matter until he is able to give me a complete report.

I do not believe anything abnormal will be found, but in all fairness to you I think we should make sure of this point. Let me urge you, therefore, not to fail to see Dr. Brown as early as you can.

Sincerely yours,

RAK:IS
