The minutes from the last meeting were reviewed.

SHAC Action Items were reviewed. Rufus Baca will issue a report on existing Contractor Safety Procedure/Policies. The proposed date of the Annual Inspection is the third week of September, and will be combined with the Third Quarter Inspection, if agreed to by G. L. Tromblee and PMSB. A list of potential inspectors was assembled and will be discussed with Tromblee by Rose Mary Fritz and Harry Conrad.

The sample bottle survey has been completed and is awaiting comments from Environmental Affairs before a recommendation is made.

Don Kaldenberg has agreed to implement the Drug & Alcohol Abuse program.

NEW BUSINESS

Recent increases in Safety Incidents were discussed, and some ideas were generated. Harry Conrad will discuss some concerns with Tromblee.
