Good afternoon, thank you again for the opportunity to discuss PWSA this morning. Attached are the materials I thought might be helpful. Let me know if we can provide you with additional information. Speaker Turzai has made this issue a priority because of the concerns about the quality of the water and the sustainability of PWSA in the City of Pittsburgh. Thank you, Sara

Sara,

I hope you are doing well. I have cc'ed two of our great IGA team members from EPA on these e-mail. They had some PA specific questions and I told them you would be the person to ask.

Thanks,

Billy Kirkland  
Special Assistant to the President & Deputy Director White House Intergovernmental Affairs
