Subject: FYI Sir - Will Lovell - great candidate to join the EPA Team

Troy,

I hope life and work are great and that you and Aaron and the whole team are off and running. I'm so proud of you, Sir.

Quick heads up on a bright and hard working young man - Will Lovell.

Will has been working with Senator Cornyn for many years and served many roles but especially as a right arm to the Boss' energy-environment Legislative Assistant Laura Atcheson.

I meet with them frequently and have worked with Will many years. I'd offer my highest recommendation for him for any role, but I especially think he's very well suited for the EPA position he's applied- Research Assistant in the Office of Policy.

Will is tireless and an incredible teammate. I know he'd be an asset to you and your team along w/all policy staff as well.

I'm confident you've met Will over the years as well, and I wanted to be sure you knew he has applied.

Have a great weekend coming up, Sir. I'm back in DC next week and have some free time Friday morning. I'd love to come see you and Aaron and say, "I knew them when." No pressure on that, as I know you're very busy.

Hang Tough, Troy!!!

Very Respectfully,

- Milam Mabry
