CORRESPONDENCE

Dr. R. A. Kehoe,

Dear Dr. Kehoe:

Thanks for your letter of August 19th enclosing Dr. Schradin's report on the [REDACTED] case. I agree with you that there does not seem to be any further action we can take at this time. However, I would not be at all sure that it is closed, and if you should have any further advice or communication on the subject we would thank you to please pass it along to us. We seem to be in the clear but the fact that the conclusions are so befogged might leave sufficient doubt for someone to try to bring action against us. Of course if we hear anything from this end we will pass same along to you promptly.

Very truly yours,

C:C
