Mr. Arnold Ronna  
Plant Manager  
Sager Glove Corporation  
415 South Fourth Street  
Murray, Kentucky 42071

Dear Mr. Ronna:

Enclosed is the report on asbestos fiber counts for cassettes SG-20 through SG-24. All the results are below the present standard of five fibers per cubic centimeter greater than five micrometers. These results are based on sampling time and sampling rate information provided by you.

If you have any questions regarding this report, please do not hesitate to write or phone me.

Sincerely,

*Mary Ann Babyak*
