Dear Mr. McMillan:

The Union members are dissatisfied with the present Blue-Cross-Blue Shield hospitalization-surgical plan. It is their opinion the cost is too high for the benefits being received. Furthermore, the policy needs updating to provide additional services and more pay for services included in the present policy.

In order for the Union to solicit bids from several companies on an adequate policy, the following information is being requested by the Union.

1. The names, age and sex of employees to be covered in the policy.
2. If local management and office personnel wish to be included in the coverage
3. Number of employees with dependants and number of dependants.

Your cooperation in the above request will be appreciated.

Very truly yours,

CC; W.M. Akin
