RE: ASBESTOS IN JOINT COMPOUND

OUR QUALITY SUPERVISOR, BILL NALBONE, RECV'D A CALL FROM THE MANCHESTER, N. H. DIST. CENTER EARLY THIS A. M. CALL WAS FROM SALES REP. LEO MATEL. HE ADVISED THAT HE HAS AN ACCOUNT, A MODULAR HOME BUILDER, THAT HAS BEEN INSPECTED BY OSHA, CITATIONS HAVE BEEN ISSUED AND PRODUCTION STOPPED UNTIL THEY EITHER COMPLY WITH TEMP. EMPLOYEE PROTECTION OR USE AN ASBESTOS FREE PRODUCT.

WE ARE ADVISED THE ACCOUNT HAS CURTAILED PURCHASES OF G-P JOINT COMPOUNDS AND IS NOW CHANGING TO U.S.G. NON ASBESTOS JOINT COMPOUNDS. IF YOU WISH TO DISCUSS THIS IN DETAIL PLEASE CONTACT BILL NALBONE, AKRON PLANT.
